

### **Executive Search & Selection**

Thank you for taking the time to view our current Executive Search and Selection Opportunities.

The opportunities listed may not be a full list of current assignments, as given the nature of confidentiality some clients declined the opportunity to advertise their vacancies.

We encourage all candidates to submit their CV in confidence or contact us to discuss our upcoming assignments.

**For further information on positions or to register your CV please contact Brenda Flynn, 090 6480600.**
